Kylee has an incredible, contagious, beautiful smile and laugh that filled a room. She is the most beautiful girl inside and out, and it would be impossible to know her and not love her. Kylee lived with her soul-mate Dustin and roommate Jordan; she is the third and strongest leg of their tripod.

Kylee is survived by her parents Graham Fraser and Nancy Barton, sisters Richelle Nelson and Kyrsti Fraser, brother Jaxon Barton, brother-in-law Mike Sturm, nieces Alexis and Destinee Sturm and nephew William Sturm; the love of her life and soul-mate, Dustin Harrick, his parents Sheila and Wally Harrick and his sister Macayla; her best friend and loving companion Diesel; her grandparents Barry and Vivian Barton and Joyce Fraser-Millice; and numerous aunts, uncles, cousins and friends.

If Tomorrow Starts Without Me

*When tomorrow starts without me,
And I'm not there to see,
If the sun should rise and find your eyes
all filled with tears for me,*

*I wish so much you wouldn't cry
The way you did today,
While thinking of the many things,
We didn't get to say.*

*I know how much you love me,
As much as I love you,
and each time that you think of me,
I know you'll miss me too.*

*So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart.*
